

WESTMINSTER  
OPEN ACCESS ENDOSCOPY SERVICE

Offering a simple and efficient referral service with minimal wait times for Gastroscopy and Colonoscopy procedures, Westminster Private Open Access Endoscopy Service operates out of Westminster Day Surgery, conveniently located on Wanneroo Road, Westminster.

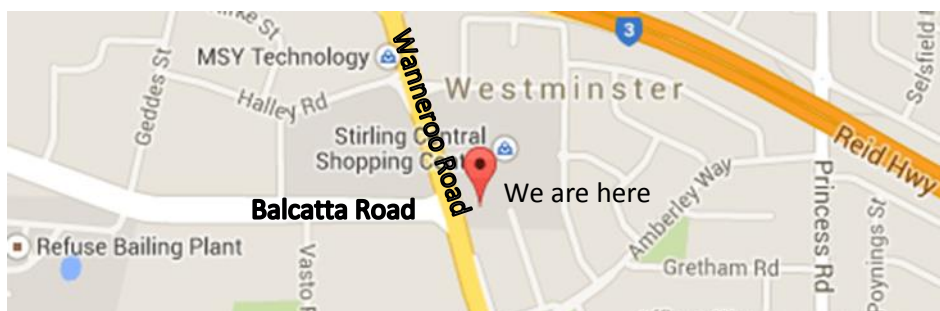

What we have to offer:

- High priority service, with appointments usually available within 2 – 4 weeks.
- The ability to provide full private day surgery facilities to our patients.
- The services of our fully accredited Gastroenterologists:  
\*Assoc. Professor Leon Adams and \*Dr Simon Hazeldine  
Both are well established in their field and are “no-gap” providers.
- We are an approved provider with most major health funds.
- Competitive low cost fees for patients without private hospital cover.
- Easy access from Mitchell Freeway, Reid Highway and Wanneroo Road, with ample free parking.
- Electronic referrals: Healthlink users can send referrals to us electronically; **our EDI is westdays**. Alternatively, fill-in or printable referral forms are available from our website. <http://westminsterdaysurgery.com/facilities-and-services/>
