

WESTMINSTER
OPEN ACCESS ENDOSCOPY SERVICE

Offering a simple and efficient referral service with minimal wait times for Gastroscopy and Colonoscopy procedures, Westminster Private Open Access Endoscopy Service operates out of Westminster Day Surgery which is conveniently located on Wanneroo Road, Westminster.

Your referral to our service will be actioned without delay as we will contact your clients within 24 hours to endeavor to arrange an appointment convenient to their needs.

What do we have to offer:

- The ability to provide full private day surgery facilities to our patients.
- We are proud to be able to offer the services of fully accredited Gastroenterologists who are well established in their field. All are “no-gap” providers.
**Assoc. Professor Leon Adams *Dr Simon Hazeldine *Dr Luca Crostella*
- We are an approved provider with all major health funds (excluding HCF).
- Competitive low cost fees for patients without private hospital cover.
- Easily accessible from Mitchell Freeway, Reid Highway and Wanneroo Road with ample free parking.
- Electronic referrals: Healthlink users can send referrals to us electronically; **our EDI is westdays**. Alternatively, fill-in or printable referral forms are available from our website. <http://westminsterdaysurgery.com/facilities-and-services/>

For further information please do not hesitate to contact us on 9349 5555 or visit the information page on our website via the above link.

As we are a low risk facility we do have to ensure duty of care is our priority and that our patients meet our admission criteria. As a result we ask that you *do not* refer clients who:

- Weigh more than 125kg or have a BMI greater than 35
- Weigh less than 20kg
- Are less than 12 years of age
- Suffer or have a family history of Malignant hyperthermia
- Are a MRSA risk
- Has been diagnosed with VRE or CRE
- Are suspected of having SARS, TB, Avian Flu or other suspected conditions requiring negative pressure accommodation
- Has been sanctioned under the Mental Health Act 1996 (WA)
- Have a tendency to wander or display disruptive behavior, or suffer with acute uncontrolled psychiatric illness
- Are pregnant
- Do not have a support person on discharge or waiting at home

We look forward to being of service to you.
